# How Do I Know How Much My Program Costs?

  - Amount due to IU Bursar
  - Estimated out-of-pocket expenses
  - Total estimated costs

**Fee Schedule Spring 2021**  
**CIEE Berlin**  
**Open Campus Block**

The CIEE fees (OVST Provider instructional fee and OVST provider miscellaneous fee) includes academic fees, housing, pre-departure advising, orientation, cultural activities, local excursions, and medical insurance. The miscellaneous provider fee includes the non-instructional costs of the program, such as housing (\$3,900) and health insurance (\$167). In late December the Bloomington bursar will send an e-mail notifying you that your statement is available for viewing and printing from the web through *IU Bursar Pay*. Your \$500 prepayment and any IUB scholarships or loans will be listed as credits there.

The IU Service fee underwrites the operation of the Office of Overseas Study.

Students will need funds to pay the estimated additional costs associated with the program (i.e. food, personal expenses, and international travel). These costs vary significantly from student to student because they are based on the individual spending habits and lifestyle. The dollar's value will also affect your costs. Use these costs as an approximate guide.
